VETERAN-OWNED / WASHINGTON

GreenLeaf Service Group

CAPABILITY STATEMENT | November 12, 2026

GreenLeaf Service Group LLC supports government and commercial requirements through project coordination, enterprise technology experience, and qualified service-provider relationships.

CORE COMPETENCIES

Transportation & logistics

Local delivery, courier and scheduled routes, last-mile support, materials delivery, and wheelchair van transportation inquiries.

Facilities & grounds

Janitorial services, grounds upkeep, pressure washing, debris removal, and general facility support.

Construction & site support

Site cleanup and preparation, repair and maintenance support, and coordination with qualified trade partners where required.

IT & data services

Software development, cloud and application support, workflow automation, databases, data integration, and reporting.

COMPANY & COVERAGE

Legal name: GREENLEAF SERVICE GROUP LLC
Business: Washington Limited Liability Company
Ownership: Veteran-owned
Coverage: Washington. Nearby-state projects considered by scope and resource availability.

CERTIFICATIONS & STATUS

SDVOSB / VOSB: SBA-certified
Effective: November 12, 2026
SAM.gov: Contact us for current details
UEI / CAGE: Not yet published
NAICS / PSC: Not yet published

TECHNICAL PERSPECTIVE

Leadership experience includes enterprise software engineering, SRE, cloud systems, databases, and data integration. This refers to prior leadership experience rather than GreenLeaf contract past performance.

Delivery resources and partner involvement are confirmed for each project. Specialized or licensed work may be performed by qualified subcontractor partners. SBA certification does not constitute endorsement of GreenLeaf or its services.
